## WELCOME TO THE 2017 / 2018 TRAINING YEAR

It was a very busy summer for cadets, officers and staff and we hope that everyone had a wonderful time. Did you go to camp? Have you got some photographs to share?

Congratulations to WOII Hollingsworth who completed the Power Pilot Scholarship Course and earned her wings.

Attention Parents and Cadets – We need your help with firewood this Sunday.

We will start at 9am Sunday and will work until 1 or 2 pm at 2712 Tanglewood. (on the Old Duck Lake Road)

It would be helpful if you could bring axes or a power saw (if they know how to buck wood).

Please make sure you have gloves and dress appropriately for working and weather.

Bring a snack and some water.
